

# Previewing the 2022-2023 School Year

#OneSchoolNoLimits

Dates and events will be added and communicated through Find Out First, Social Media and our website. Enjoy the summer break!

Many of you will find yourself busy during the next few weeks, participating in camps, going to work, visiting colleges, and hopefully finding time to relax and do something fun. We are excited for the year ahead and want to provide you with some advance notice of events.

There are many more events to be announced or scheduled. Be sure to check our website, follow social media and look for a mailing later in the summer to prepare for the next school year.

**Student Athletes:** The start of the fall season begins August 10. Be sure to have all your completed paperwork and physical ready for tryouts.

Physicals must be dated after April 1.

Fall Meet the Coaches Night: August 1 at 7:00 PM
