

LHS 2023-2024 School Year Preview

Dates and events will be added and communicated through Find Out First, Schoology, social media and our website.

As the school year ends take time to celebrate the things you accomplished and reflect on what you learned. Many of you will find yourself busy during the next few weeks, participating in camps, going to work, visiting colleges, and hopefully finding time to relax and do something fun.

Our LHS team will be busy preparing and planning to welcome you back in late August and there are many more events to be announced or scheduled.

Be sure to check our website, follow social media and look for a mailing in August.

I hope you enjoy the summer break and look forward to meeting each of you when school begins later this summer.

-Dr. Michael Dillman, LHS Principal
