Katie's Checklist

Dear RCS Families:

And just like that... it is Fall! It is that time of the year when we celebrate apples, pumpkins, falling leaves and cooler days. It is a colorful time of the year in the world of nature. Fall brings people together for sporting events, food and fun. We are fortunate to have our school located in a place where we can appreciate the seasons. Every nice day our students are out and about taking in fresh air and sunshine.

This week we continued our work in our school garden. Over the summer, our garden produced a bounty of fresh melons and vegetables. The students reaped the benefits of their labor in tasting and snacking on the produce they grew. On Thursday, the garden tasks included cleaning out our summer vegetable plants, sifting fresh dirt in the beds and planting seeds for fall cool weather crops. This weekend it is likely that we will be showered with plenty of rain to water our seeds in.

We hope your weekend won't be a washout and you enjoy something that makes you happy.

Sincerely, Katie, Amanda and the RCS Team
